GENERAL INFORMATION, REQUIREMENTS AND REGULATIONS FOR THE WORKSHOP (WITH Siegfried Hansen)

APPLICATION:

Application is made by paying with paypal and a first-come, first-served basis.

The workshop is limited to 8 participants.

The workshop will be fully confirmed to happen when we reach the minimum number of 6 participants. Please pay your bookings (flights, accommodation, etc.) after the workshop is fully confirmed.

IMPORTANT: By applying to the workshop you agree to all information, requirements and regulations included in this document.

Cancellations and refunds:

In case the minimum number of confirmed participants is not reached, the workshop will be cancelled and a full refund of the paid fee will be made.

The organiser may cancel the workshop in case of serious constraints (anything that makes the workshop impossible to happen, like natural disasters in the area, etc.). In such an unlikely event, a full refund of the paid fee will be made.

Payment, cancellation and refunds:

If you are unable or choose to no longer attend the WS-CITY photoworkshop, the following refund schedule will apply:

30 or more days prior to the beginning of the workshop: 100% refund less a 100 Euro administrative fee.

Less than 14 days prior to the workshop: no refund unless you find someone to take your spot.

Travel, personal safety & accommodation:

Participants make their own arrangements regarding travel,

insurance and accommodation and ensure that they have all the necessary travel documents and relevant visas in order to attend the event.

Participants also take full responsibility for their personal security during their journey to and stay in Germany (please read the legal notes at the end of this page).

Requirements:

The workshop is designed for photographers with understanding of the photographic process. Participants should arrive with working knowledge of their equipment and ready to shoot. The workshop is limited to digital cameras – during the critique and photo editing sessions we will use electronic equipment only. Having your own laptop is required. The workshop will be conducted in English.

LEGAL NOTES:

1. Each participant covers the entire cost of participation in the Workshop and takes full responsibility for their actions. Especially, each participant is responsible for arranging personal and travel insurance for the duration of their stay in Germany. Neither the organizer nor its instructors nor its employees are responsible or liable for the safety and property of participants or their companions during their travel or stay in Germany or any undertakings within the framework of the Workshop.
2. Participant agrees to waive, release, and hold the Organizer, its instructors and employees harmless from any and all claims, demands, or suit relating in any way to the Workshops and work performed therein, including but not limited to any claim for personal injury or damage to property described in the first paragraph and any and all other claims based upon any legal theory, especially:
 - a. Theft, loss of, or damage to, property
 - b. Traffic accident
 - c. Illness or injury
 - d. Health problems
